Hi all, I checked-in with Dan and he understands the need to use the "fail" language at some point in the letter, but remains opposed to using it every time we reference our determination. Based on the emails, I have attached another version of the letter for review. The 2nd paragraph is unchanged. thanks

Hi All,

Dave gave Dan the letter to review and he disliked all of the “failed to submit” language and wanted to know in what instances can we use other language. See attached for his thoughts.

Hi All,

I believe that the attached letter has completed legal (including DOJ—see attached and email below) and programmatic review and is ready for managerial review. Let me know if I am wrong.

I'll check in with my management to see if they want any changes. Can you do the same, Allison and Don?

Thanks again for your quick turnaround on the review.

Hi All,

Attached is the clean version. Before sending the letter to our management for review, I would like your input on whether the addressees are appropriate and the attorneys' input on whether to include NWEA's attorneys and/or our DOJ attorney as cc's.

Given my experience with our Office Director, Dan O (he makes extensive edits), I would like to give the letter to him early and let all of you see whether his edits are appropriate. As you know, Christine is out until mid-July.

Cheers,

Hi All,

See attached for a preliminary draft letter to Oregon on the revised deadline. I opted to keep it short and highlighted areas in which I am seeking your input.

FYI, I included DOJ's June 4th letter and the June 12th response.
